Our mental health advisers will work honestly, compassionately and collaboratively with you, providing on-going emotional support and practical advice. You might, for example, work towards creating a support plan incorporating self-help strategies.

[ATTP](#) accredited Counselling and Mental Wellbeing service can provide you with advice and support on both new and long term mental health difficulties to help you get the most out of your student life. The team can also offer short term 1-2-1 counselling which can help you work on immediate problems, developing healthy coping techniques, gaining understanding of underlying issues and, if necessary, developing a longer-term treatment plan.

### Out of hours support

Our out of hours support service provides free, confidential counselling and wellbeing support. Students can get in touch with the team via phone, live chat, WhatsApp and the online portal.
